HIGH-CAPACITY IC CUSHION ADVANTAGES

▶ **HEAVY DUTY PLANETARY DRIVE AXLE**

for maximum durability

▶ **HIGH VISIBILITY**

provided to operators by two-stage wide-view mast

▶ **LOAD SENSING HYDRAULIC SYSTEM**

delivers the power you depend on when you need it

▶ **DIGITAL INSTRUMENT DISPLAY**

gives fuel, engine, transmission, battery, service, and temperature information

▶ **U.S. PARTS AND COMPONENTS SOURCING**

means faster service and lower lead times

▶ **STANDARD HOOD-MOUNTED
HYDRAULIC CONTROLS**

for operator convenience

▶ **DANA 12000 TRANSMISSION**

with 3 forward and 3 reverse speeds

▶ **ENGINE MANAGEMENT SYSTEM**

regulates performance and protects engine

▶ **EASY SERVICE ACCESS**

thanks to hydraulic multi-gauge and easy-access panels and filters

18000–22000^{LB.}

CAPACITY

LIFT MORE INDOORS

TOYOTA HIGH-CAPACITY IC CUSHION FORKLIFT

Our impressive THD power is now indoors. Think automotive and forging. Huge paper rolls. Steel and raw materials. All demand the reliable power that Toyota provides. With a 6-cylinder engine and rugged design, this beast can handle anything you throw at it.

BUILT HEAVY DUTY

A rigid welded chassis with heavy steel cross supports. Impact resistant side thrusters. The power of a V6 engine. A Dana transmission with three forward and reverse speeds. And the engine diagnostics and support systems to back all that up. This indoor workhorse is built to last from the overhead guard all the way to the durable two-coat rust-inhibiting paint.

POWER AT YOUR FINGERTIPS

That strength comes with plenty of support. An engine management system protects your forklift and keeps delivering the same high-performance work you expect. The digital instrument display keeps you aware of operating status. Standard hood-mounted hydraulic controls provide convenient, comfortable control of all functions for operators. And the high-visibility design helps keep operators aware of their surroundings while in operation.

ENGINEERED FOR OPERATORS

Advanced ergonomics keep operators comfortable while they work. Easily viewed gauges and auxiliary controls make monitoring performance intuitive and convenient. Add in a standard wide-view mast that ensures a wide field of operator vision, and you have a comfortably powerful machine.

COMPACT POWERHOUSE

Prepare to have your expectations blown away. Power, durability, and all the high standards of the Toyota Heavy Duty line of forklifts. Add the compact maneuverability for indoor operations, and this reliable machine will stand up to any challenges you throw at it. Strength you can depend on with Toyota.

AN INVESTMENT THAT PAYS YOU BACK

Toyota demands the best for its customers. The U.S.-built High Capacity IC Cushion is engineered from the ground up as a complete product. One with better components and well-thought-out integrated systems that work together to deliver intuitive, dependable performance day after day. Toyota forklifts don't require a lot of service. But when they do need service, it's fast and easy — by design. And legendary Toyota quality means more productivity over the lifecycle of your forklift, along with lower repair costs. Higher residual value is another bonus.

SAFETY COMES STANDARD

At Toyota we know people are your greatest asset. That's why the High-Capacity IC Cushion forklift includes all the necessary features to help keep your people safe. A wide-view mast. A high operator field of vision. An operator presence sensing system. All come together to give the safe operation you've come to expect from Toyota forklifts.

COUNT ON **THE LEADER**

- ▶ Toyota leads in quality, durability, reliability, and value thanks to advanced technology and the world-renowned Toyota Production System.
- ▶ With the broadest and most complete set of material-handling solutions in the industry, Toyota Dealers specialize in meeting all of your needs — from a single forklift to an entire fleet.
- ▶ Toyota's industry-leading network of dealers backs every forklift with proven product support. Resources include factory-trained service technicians, Toyota Genuine Parts, and flexible leasing and financing packages through Toyota Commercial Finance.

- ▶ Toyota forklifts have ranked No. 1 in safety and quality since 2002, according to studies conducted by Peerless Research Group.
